Sao Paulo Island - The World

Architect	Arch WT Project
Name of Project	Sao Paulo Island - The World
Project Location	The World Dubai, UAE
Sector	Luxury Residential
Features	The priceless privilege of the spectacular panoramic views of Dubai Marina enjoyed by Sao Paulo island

Description	<p>Luxury residential private island of Sao Paulo of The World, Dubai.</p> <p>A masterplan inspired by the Brazilian emblem. Five luxurious central villas set in the rock, refreshed by waterfalls and two lines of immaculate villas along the green wings overlook the sea.</p> <p>Two groups of luxurious floating villas at the extremities of the island benefit from the strategic location directly on the sea with a dream terrace on Dubai Marina.</p> <p>The unequalled strength and explosive energy of Brazil, wonderful and unpredictable country, concentrate in this wonderful little star of paradise in Sao Paulo Island of the World</p>
